Rascal Flatts ft. Brian McKnight

Baby, tomorrow im'a have to fight
Leavin' at first light
And all I can think of is you

Baby, I can hear you're tryin not to cry
I'm afraid that I ain't gonna lie
I gotta do what I've been trained to do

I'm a little tired but I'm doin' fine
I got my brother's back and he's watchin mine
Just keep prayin that we'll all make it through

I fight for what's right
And I fight for what's true
Mostly I'm fighting to get back to you
We don't see black, we don't see white,
We don't see what we have to do
All we see is red, white and blue
Fighting for our red, white and blue

Baby, how's our little baby girl?
Does she know her daddy's halfway round the world?
Tell her she is my whole world

I've only seen her in a photograph
Don't know whether to cry or laugh
While I'm out here in the dark

I get so damn tired but I'm doin' fine

Got my brother's back and hes watchin' mine
Just keep prayin that we'll all make it through
(Make it through)

I fight for what's right
And I fight for what's true
Mostly I'm fighting to get back to you
We don't see black, we don't see white,
We don't see what we have to do
All we see is red, white and blue

Fighting for our red, white and blue

I don't know the reasons why
Sometimes I know that you sit and cry
It's hard for me to tell you what I'm goin' through
All we have is this telephone
I don't know when I'll be comin' home
I just need you to keep praying that I do

I fight for what's right
And I fight for what's true
Mostly I'm fighting to get back to you
We don't see black, we don't see white,
We don't see what we have to do
All we see is red, white and blue
All we see is red, white and blue
Fighting for our red, white and blue
