Sara Beth is scared to death  
To hear what the doctor will say  
She hasn't been well  
Since the day that she fell  
and the bruise that just won't go away

so she sits and she waits with her mother and dad  
and flips through an old magazine  
Till the nurse with a smile stands at the door  
and says Will You Please Come with Me?

Sara Beth is scared to death  
cause the doctor just told her the news  
between the red cells and white  
something's not right  
but we're gonna take care of you

six chances in ten it won't come back again  
with the therapy we're gonna try  
its just been approved it's the strongest there is  
and i think we caught it in time  
and sara beth closes her eyes

and she dreams she dancing around and around  
without any cares  
and her very first love  
is holding her close  
and the soft wind is blowing her hair

Sara beth is scared to death  
as she sits holding her mom  
cause it would be a mistake

for someone to take a girl with no hair to the prom

for this morning right there on her pillow  
was the cruelest of any surprise  
and she cried when she gathered it all in her hands  
the proof that she couldn't deny  
sara beth closes her eyes

and she dreams she dancing around and around

without any cares  
and her very first love  
is holding her close  
and the soft wind was blowing her hair

it's quarter till seven  
that boy's at the door  
and her daddy ushers him in  
when he takes off his cap they all start to cry  
cause this morning where his hair had been  
softly she touches just skin

and they go dancing around and around  
without any cares  
and her very first true love  
is holding her close  
for a moment she isn't scared
