Whoa, whoa
Shes got a suitcase packed in the trunk, trunk, trunk
Shes got a see you later song that went bump bump
bump
Shes got a hurtin heavy heart, that went thump thump
thump
Shes leaving
Shes got a bucket of tears goin drop drip drop
And that Ring on her finger is comin off off off
Shes got a boyfriend yelling to stop stop stop
Shes leaving
Chorus:
Should have done this, should have done that
Should have seen this comin, guess you dont see
nothing when your running
around
Shes history, wrapped up memory, tied up tight with a
broken heart strings
at that things that will never be
Shes leaving
whoa whoa

She left your dreams in the washing a machine, chine,
chine
Now shes a red light turning to green, green green
Shes a goner if know what I mean, mean, mean
Shes leavin
Chorus
Oh no shes leaving
Looking her going down right over your road, saying to
herself should have
done this a long time ago
Shoulda done this, shoulda done that, should have
seen this comin, guess
you dont see nothin when your running around
Chorus
Shes shes leaving
shes leavin
shes leavin
that girl, that girl shes leaving
yea shes leaving
that girls shes leaving

shes leavin, shes leaving
