You feel like a candle in a hurricane
Just like a picture with a broken frame
Alone and helpless
Like you've lost your fight
But you'll be alright

You'll be alright

Chorus:

Cause when push comes to shove
You taste what you're made of
You might bend, till you break
Cause it's all you can take
On your knees you look up
Decide you've had enough
You get mad you get strong
Wipe your hands shake it off
Then you Stand,
Then you stand

2.

Life's like a novel
With the end ripped out
The edge of a canyon
With only one way down
Take what you're given before it's gone
Start holding on, keep holding on

Chorus:

Cause when push comes to shove
You taste what you're made of
You might bend, till you break
Cause it's all you can take
On your knees you look up
Decide you've had enough
You get mad you get strong
Wipe your hands shake it off
Then you Stand,
Yeah then you stand.

Bridge:

Everytime you get up
And get back in the race
One more small piece of you
Starts to fall into place
Ooohhh

Chorus:
Cause when push comes to shove
You taste what you're made of
You might bend, till you break
Cause it's all you can take
On your knees you look up
Decide you've had enough
You get mad you get strong
Wipe your hands shake it off
Then you Stand,
Then you stand
Yeah then you stand.
Yeah then you stand.
Yeah baby
Ohhhhhhhhh
Ohhhhhhhhh
Ohhhhhhhhh
Oohhhhhhh
Then you stand
