Ooo, Ooo, Ooo-come on,
Still feels good-oh,oh,oh

That old t-shirt you wear to bed
Hangin' off your shoulder by a thread
The one you ripped off me when
We first met
Still feels good

That old familiar song blarin'
From my car
We know every note, every word
By heart
Puts a smile on your face 'cause
You know it's ours
And it still feels good

[CHORUS]

Your fingers hooked around
My belt loops
Leanin' up against my ride
Remember that first time I touched you
It doesn't matter-I've held you a
Million times
Oh, and it still feels good
We made some crazy plans, had some
Crazy dreams
And now that we've reached
A few you would think
That it would get old to you and me
But it still feels good, still feels good

[Repeat Chorus]

Oh, your fingers hooked around
My belt loops
Leanin' up against my ride
Remember the first time I touched you
It doesn't matter, I've held you-
I've touched you
I've felt you-I've loved you-
And it still feels good

Yeah and it still feels good, baby
Yeah, it still feeld good-yeah, yeah, yeah
Still feels good
Still feels good, baby
