Come on ladies  
It's time to pop that top  
And fellas, I know you're ready to rock  
We went crazy cooped all winter long  
And school is out, so let's get it on  
Flip flop tans and some white sand  
I know the perfect spot

Well the sunset better set soon  
So we can get in the mood  
Things start getting heated up  
When it starts getting cool, yeah

Summer nights  
Everybody, are you with me?  
Let that igloo cooler mark your piece of paradise  
Summer nights  
Everybody's feeling sexy  
Holler if you're ready for some summer nights  
Come on.

Oohhh, oh yeah.

Now fellas, you better watch your step  
Don't let them teeny french bikinis  
Make you loose your breath  
Back to the ladies  
Ya'll keep doing ya'lls thing  
'Cause everything about you makes me wanna scream

The sun is getting low  
There it goes, here we go  
Here comes the moon, yeah  
Things start getting heated up  
When it starts getting cool, yeah

Summer nights  
Everybody, are you with me?  
Let that igloo cooler mark your piece of paradise  
Summer nights  
Everybody's feeling sexy  
Holler if you're ready for some summer night

Whoa  
Oooh

It's a party down,  
Probably big bar fight on the beach  
It's Coronas in Daytona ya'll  
Well it's wild and it's free

Summer nights  
Everybody, are you with me?  
Let that igloo cooler mark your piece of paradise  
Summer nights  
Everybody's feeling sexy  
Holler if you're ready for some summer nights  
Come on

Summer nights  
Everybody, are you with me?  
Let that igloo cooler mark your piece of paradise  
Summer nights  
Everybody's feeling sexy  
Holler if you're ready for some summer nights

Yeah, oh are you ready?  
Are you ready?  
Are you ready?  
For some summer nights

Yeah baby  
Summer nights  
It's summer nights  
Come on
