Ain't nothing better than anticipation
Tonight's been playing over in my head
I've had enough of all the expectations
Waiting's the hardest part, like Tom Petty said

We cutting loose like we're on a mission
Them stars are shining, it's a perfect night
I swear, you're looking like a moon-lit vision
It's taking over, and I won't fight

That's because tonight, tonight,
Been waiting to see you.
Tonight, tonight,
We can't go wrong.
It feels so right,
Just being here with you.
We've been waiting for this moment all day long.

Tonight, tonight, tonight yeah.
Tonight

The room is spinning like a disco ball
Everybody's dancing, it's a party yall
You move yourself in that graffiti sky
Gives you that feeling, everything's gonna be alright
We just got rocking, now we rolling, rolling
Ain't going home until they're closing, closing
We'll see the sun before you know it, know it

And you won't wanna say good-bye

That's because tonight, tonight,
Been waiting to see you.
Tonight, tonight,
We can't go wrong.
It feels so right,
Just being here with you.
We've been waiting for this moment all day long.

Tonight's the night you've waited all week for
You're gonna take it till you just can't take no more
Better not wait up for me

Tonight, tonight, tonight
Oh, tonight, tonight, tonight

That's because tonight, tonight,
Been waiting to see you.
Tonight, tonight,
We can't go wrong.
It feels so right,
Just being here with you.
We've been waiting for this moment.

That's because tonight, tonight,
Been waiting to see you.
Tonight, tonight,
We can't go wrong.
It feels so right,
Just being here with you.
We've been waiting for this moment all day long.

Tonight, tonight
