So, so you made a lot of mistakes
Walked down the road a little
Sideways
Cracked a brick when you
Hit the wall
Yeah, you've had a pocketful
Of regrets
Pulled you down faster than
A sunset
Hey, it happens to us all
When the cold, hard rain just won't quit
And you can't see your way
Out of it

CHORUS:

You find your faith
That's been lost and shaken
You take back what's been taken
Get on your knees and dig
Down deep
You can do what you
Think is possible
Keep on believing, don't give in
It'll come and make you
Whole again
It always will, it always does
Love is unstoppable

Love, it can weather any storm
Bring you back to being born, again
Oh, it's the helping hand
When you need it most
The lighthouse shining on
The coast
That never goes dim
When your heart is full of doubt
And you think that there's no
Way out

CHORUS:

You find your faith
That's been lost and shaken

You take back what's been taken
Get on your knees and dig
Down deep
You can do what you
Think is possible
Keep on believing, don't give in
It'll come and make you
Whole again
It always will, it always does
Love is unstoppable

It's unstoppable

Like a river keeps rollin'
Like a North wind blowin'
Don't it feel good knowin'
Yeah

CHORUS:

You find your faith
That's been lost and shaken
You take back what's been taken
Get on your knees and dig
Down deep
You can do what you
Think is possible
Keep on believing, don't give in
It'll come and make you
Whole again
It always will, it always does
Love is unstoppable

Love is unstoppable
So, so you made a lot of mistakes
