Everybody needs it  
Everybody wants it  
Everybody's searching for someone  
Been down a thousand highways  
I never thought would end  
Baby, I've been

Chorus  
Waiting all my life to find you  
Always been one step behind you  
Your love babe  
I've been waiting all my life

I was tired of waiting  
Every night was praying  
Everyday would be the day I'd find you  
I grew so impatient, how long would it take  
To know you were there somewhere  
Somewhere waiting, wondering just like me

Second Chorus  
I've been waiting all my life to love you  
All that time I was dreaming of you  
Your love babe  
I've been waiting all my life

Bridge  
And did I lose faith?  
(Did I lose faith?)  
Did I lose heart?  
(Did I lose heart?)  
Maybe I did, but I never lost my way  
To where you are - I've been

(Repeat First Chorus)

(Repeat Second Chorus)

Your love I've been waiting  
Your love I've been waiting all my life  
All my life,  
(Waiting all my life)

All my life  
(Waiting all my life)
