Walk the llama llama
Walk the llama llama
Walk the llama llama
Walk the

Walk the llama llama
(Walk the llama llama)
Take in the panorama
Walk the llama llama
(Llama llama)
Don't have to be a drama

Walk the llama llama
(Llama llama)
No one could be calmer
Walk the llama llama
(Walk the llama llama)
Double L A M A

Fluff up your fur
Stick out your chest
Walk the llama llama
Now you're looking your best

Keep out the wind
Keep out the snow
Wool by llama from head to toe

Walk the llama llama
(Llama llama)
Take in the panorama
Walk the llama llama
Walk the llama llama
Double L A M A

Cool in the summer
Warm in the cold
A perfect fashion statement
For the young and the old

A cloak for the priest
A hat for the farmer

You could be looking
At the emperor's pajamas

That's way the llama walks so proud
That's way the llama holds his head up in the crowd
All of us applaud his generosity
He's more than just a passing curiosity

He covers up our pride
And all those things we have to hide
In any civilized society

Walk the llama llama
Walk the llama llama
Walk the llama llama
