There you are standin' strong  
I'm a leaf holdin' on  
You believe like a child  
In this fire running wild  
Oh, I love how you see  
Right to the heart of me

You're a waterfall  
Washin' over me  
I'm a thirsty man  
Let me drink you in

I am on my way  
You're a mountain top  
When I reach for you  
Your love lifts me up

All that I want is to be  
Where you are

I'm the frozen ground, you're the warm sunlight  
Shinin' down on me, baby, just in time  
I have never been in love like this  
Oh, you move my soul everytime we kiss  
And I love how you heal  
I can't believe how alive I feel, yeah

You're a waterfall  
Washin' over me  
I'm a thirsty man  
Let me drink you in

I am on my way  
You're a mountain top  
When I reach for you  
Your love lifts me up

All that I want is to be  
Where you are  
Where you are

You're a waterfall

Washin' over me  
I'm a thirsty man  
Let me drink you in

I am on my way  
You're a mountain top  
When I reach for you  
Your love lifts me up

You're a waterfall  
Washin' over me  
I'm a thirsty man  
Let me drink you in

I am on my way  
You're a mountain top  
When I reach for you  
Your love lifts me up
