It must be a place so dark, couldn't feel the light  
Reachin' for you through that stormy cloud  
Now here we are gathered in our little home town  
This can't be the way you meant to draw a crowd

Oh why that's what I keep askin'  
Was there anything I could have said or done  
Oh I had no clue you were masking a troubled soul,  
god only knows  
What went wrong and why you'd leave the stage in the  
middle of a song  
Mmmmmmm

Now in my mind I keep you frozen as a seventeen year  
old  
Rounding third to score the winning run  
You always played with passion no matter what the  
game  
When you took the stage you shined just like the sun

Oh why that's what I keep askin'  
Was there anything I could have said or done  
Oh I had no clue you were masking the troubled soul,  
oh god only knows  
What went wrong and why you'd leave the stage in the  
middle of a song  
Yeah yeah yeah

Now the oak trees are swayin' in the early autumn  
breeze  
The golden sun is shining on my face  
The tangled thoughts I hear a mockingbird sing  
This old world really ain't that bad a place

Oh why there's no comprehending  
And who am I to try to judge or explain  
Oh but I do have one burning question  
Who told you life wasn't worth the fight  
They were wrong  
They lied  
And now you're gone  
And we cried

Cause It's not like you to walk away in the middle of a  
song

Your beautiful song  
Your absolutely beautiful song
