It's been another long day
A slow motion emotion wave
Crashing over this sardine can train

And I'm at the back
Squashed in tight
But it's OK 'cause inside
I know when I get home tonight

It's torment, into ecstasy (x2)

I want that hot breath of life in me (x4)

Into the sheets she and I slide
Heavy little smiles open wide
Heads thrown back sweet silent cry
Folds of sheets, clean and white
Rough and ripple like wings in flight
Like waves at night
Like the tail of a kite

It's torment, into ecstasy (x2)

I want that hot breath of life in me (x4)

It's torment, into ecstasy

I want that hot breath of life in me (x4)
