"I Love Life"

European human being
Drugs slash drinks
Slash psychic healing
Flesh nipping
Blood sipping
Sitting in a circle sharing feelings.

Not I'll
Take pill
Roll up bank bill
In head hold to fill until
People blur
People slur
Relax listen to the hi-fi purr

Oh oh oh

Joy pops like a bubble but I love life
Joy pops like a bubble but I love life
Joy pops like a bubble but I love life
Endless trouble but I love life

Oh

Superstitious so suspicious
Watch MTV doing dishes
Switch flipping
Mouse clicking
Eyeing screens instead of living

Skip that rip this fake hip-hop sick
Life flies by like movie clips
People blur
People slur
Relax listen to the AC whir

Oh oh oh

Joy pops like a bubble but I love life
Joy pops like a bubble but I love life
Joy pops like a bubble but I love life
Endless trouble but I love life

Oh

European human being
Drugs slash drinks
Slash psychic healing
Flesh nipping
Blood sipping
Sitting in a circle sharing feelings.

Not I'll
Take pill
Roll up bank bill
In head hold to fill until
People blur
People slur
Relax listen to the hi-fi purr

Oh oh oh

Joy pops like a bubble but I love life
Joy pops like a bubble but I love life
Joy pops like a bubble but I love life.
