i be around but i just be outta sight
and imma be spitting till the world run outta mics
in the hood till the projects run outta mice
betting heavy till the bow deggers run outta dice

and im working with more hammers than you can
imagine
and when i get in the booth i do it with passion
niigga its the same old kiss mango 6
seats suede listening to something sheek just laid
and sometimes i feel i oughta chill and i aint scared
but i guess its only right wen
