(talking)

yea, wuts up with you gurl, itz like (alright sang 4x)cant  
live with you,  
cant live without you,check it out

the love you give me,  
it's kind of hard to explain,  
you put my soul at ease,  
but at the same time you bring me pain,  
there's nothing funny about you baby,  
but you still make me laugh,  
we're compatible, when it gets down we're the same

You're my sweet misery,  
I hate to admit it,  
but you're my everything,  
the love you give me,  
it's like the perfect pain,  
you're the one I hate, the one I love, the one I blame,

You're love is a dream,  
but at the same time you can be a nightmare,  
you get on my last nerve,  
but I get lonley when you're not there,  
you give me attitude(how you gonna give me attitude?)  
when I go out at night,  
but when you get by me it's alright

You're my sweet misery (no way gettin' around it baby),  
I hate to admit it  
you're everything (my everything),  
the love you give me,  
it's like the perfect pain  
you're the one I hate, the one I love, the one I blame

I can't live without you baby,  
but I can't live with you,

You're my sweet misery,  
I hate to admit it (I hate it),  
you're my everything(You're the only love that I know),  
the love you give me,

it's like the perfect pain (it's like the perfect pain)  
the one I hate, the one I love, the one I blame

everything inside of me you've gotta be my sweet  
MISERY  
no doubt was in my mind you give me that sweet  
MISERY  
the one I hate, the one I love, the one I blame
