I really like you and I
Really want to be wit you
If you spend the night
I promise I wont try to sleep wit you
Yes I love you and I really want to
Be wit you
You can put yo trust in me and
I will never cheat on u

(Chorus)

Gurl u kno your lookin good today (Tell them what they
wanna hear)
I think about you almost everyday (Tell them what they
wanna hear)
Ooh Gurl u no u got a pretty face (Tell them what they
wanna hear)
Your not to big your just thick in the waist (So I tell them
what they wanna hear)

They just tell them what they want to hear hear hear

Never met someone so beautiful
Baby gurl had everythang
Gurl I want you to know your the finest gurl I ever seen
You need to be on the TV screen
Or takin pictures for a magazine
After while I asked myself
Maybe shes born with it or maybe its maybelline

(Chorus)

They just tell them what they want to hear hear hear
hear hear hear hear hear (2x)

You wish ya man was a G like me
On ya feelin like a lil wifey
Icy in da magazines
Stand out like a rock in a bag of beans
Type of girl I can picture myself wit
Little broad get freaky n stuff wit
Lay ha down n side 2 side
Front 2 da back n side 2 side

Ooh I think that your the one
That Im gon merry
My baby boy or gurl

I really wanna take you home so you can meet my

And if u ask me about my ex ima tell you
Theres no more drama

They just tell them what they want to hear hear hear
