Get up in the morning  
Check out the weather  
If it looks like sun  
I get my things together  
Throw some cutoffs on  
Got my tank-top and tennies now  
And head for the beach

Well I'm drivin' down the highway  
Losin' all my patience  
Pushin' all the buttons  
Tryin' to find a station  
With a screamin' jock  
Turnin' out my daily ration of  
(Cruisin' music, sure good music)  
To put the fun back in summertime  
I need some cruisin' music to make everything alright

Well I'm flyin' down the freeway  
Floatin' like a feather  
I've got my windows rolled down  
In the hot summer weather  
With my radio up loud  
Nothing makes me feel better  
Than some good rock 'n' roll  
(Good good, good rock and roll)

Those suntanned girls  
are lookin' outta sight  
A beach-drenched chick  
Would never get uptight  
'Cause when the sun goes down  
We'll be dancin' through the night and singin'  
(Cruisin' music, sure good music)  
To put the pop back in summertime  
I need some cruisin' music to make everythin' alright

It's time you heard some happy music  
God knows this world could really use a little sunshine  
So won't you make mine  
(Yeah)

You know I need some more of that

(Cruisin' music, sure good music)

To put the fun back in summertime

I need some cruisin' music to make everything alright

(Cruisin' music, sure good music)

To put the fun back in summertime

I need some cruisin' music to make everything alright
