Back beat boogie got a hold on me
Make me wanna jump and shout!
Twistin' like a top, I never wanna stop tonight
You surely look like a magazine
And you can move like I never seen
Reelin' and a rockin' babe
Come on and dance with me!

I'm a rocker, I'm a roller
I've been a boogie since I ditched the stroller
So come on hold me tight
We can rock the night away
I'm a rocker, I'm a roller
I've been a boogie since I ditched the stroller
So come on hold me tight
We can rock the night away

Tight blue jeanie with the starlit face
Make me wanna slide and shake!
Claw like a cat, and shimmy like a rattle snake
You surely look like a movie queen
And you can move like I never seen
Reelin' and a rockin' babe
Come on and dance with me!

I'm a rocker, I'm a roller
I've been a boogie since I ditched the stroller
So come on hold me tight
We can rock the night away
I'm a rocker, I'm a roller
I've been a boogie since I ditched the stroller
So come on hold me tight
We can rock the night away

I get this feelin' when I hear that beat
I gotta jump and get up on the table
'Cause when that rhythm and blues electrifies my
shoes
I get the message like it came by cable

Back beat boogie got a hold on me
And make me wanna jump and shout!

Twistin' like a top, I never wanna stop tonight
You surely look like a magazine
And you can move like I never seen
Reelin' and a rockin' babe
Come on and dance with me!

I'm a rocker, I'm a roller
I've been a boogie since I ditched the stroller
So come on hold me tight
We can rock the night away
I'm a rocker, I'm a roller
I've been a boogie since I ditched the stroller
So come on hold me tight
We can rock the night away
