didn't try  
i thought i had nothing to lose  
in those days life was just a game  
it wasn't hard to choose

now i know a little better  
now that things have changed  
time has proven me wrong  
and the boy i was  
learned a lesson  
that's gonna last so long

(ref)i can't get away  
i wanted to be free  
you've put a spell on me  
nothing left to say  
i've got no place to go  
girl you're all i know

like the wind  
running wild and free  
that was how i pictured me  
you gave me love  
love that made me blind  
i guess i didn't want to see

(ref)i can't get away  
i wanted to be free  
you've put a spell on me  
nothing left to say  
i've got no place to go  
girl you're all i know

now i see  
what you want from me  
is someone to rely on  
i've been restless  
i know i've caused you pain  
but i swear those days are gone

now you say

it's too late to change  
it's too late to start all over  
but i guess you're right  
but i still had to try  
to save the love that's left inside

(ref)i can't get away  
i wanted to be free  
you've put a spell on me  
nothing left to say  
i've got no place to go  
girl you're all i know
