who are you  
and what do you want from me?  
i'll give you all i've got  
just to make you see

i'm here to take some chances  
but i might lose my mind  
i can't stop myself from wondering  
what i'm going to find

(ref)in the eyes of a stranger  
where nothing is real  
in the eyes of a woman  
that knows how i feel  
show me the way and i will follow

is this true  
am i really here with you?  
i wish that i could find  
a way to read your mind

no-one really knows you  
exactly who you are  
but on a night like this  
i promise that you'll find...

(ref)...in the eyes of a stranger  
that nothing is real  
in the eyes of a woman  
that knows how i feel  
show me the way and i will follow

can i stay  
right here by your side  
been taking it for granted  
no need for you to hide

been running for so long  
and i can't really say  
if i'm just wasting time  
or running my own way

in the eyes of a stranger
