Chorus:

All for love

Baby

Girl what I do, I do it for you

All for love

Baby

Baby my love

Is all for you

Girl you're the only one

I'd ever love and need

Cause when you're here with me

You make me feel complete

Girl it's too hard to swallow

To know there's no tomorrow

Without you baby

So I'll do anything or go anywhere

To tell the whole wide world that I care

Yeah

With all my power I'll give you the real cause that is

How I feel when it's

(when it'sâ€¦!)

Chorus

I'm gonna show you I can really be your every man

And that's time and time again

Love will never end

So I'll go anywhere and do anything

(to tell the whole world that I care girl)

I'll be your king cause you are my queen

Life's a living dream

Because it's

Chorus

[Bridge]

It's easier said than done to love

But girl it ain't hard when you're the one

Girl you have my heart

Chorus
