I know when he's been on your mind
That distant look is in your eyes
I thought with time you'd realize it's over, over
It's not the way I choose to live
And something somewhere's got to give
As sharing this relationship gets older, older
You know I'd fight for you
But how can I fight someone who isn't even there?
I've had the rest of you now I want the best of you
I don't care if that's not fair
Cause I want it all or nothing at all
There's nowhere left to fall
When you reach the bottom it's now or never
Is it all or are we just friends
Is this how it ends with a simple telephone call
You leave me here with nothing at all
There are times it seems to me
I'm sharing you with memories
I feel it in my heart but I don't show it, show it
And then there's times you look at me
As though I'm all that you can see

Those times I don't believe its right I know it, know it

Don't make me promises

Baby you never did know how to keep them well

I've had the rest of you now I want the best of you

It's time to show and tell

Cause I want it all or nothing at all

There's nowhere left to fall

When you reach the bottom it's now or never

Is it all or are we just friends

Is this how it ends with a simple telephone call

You leave me here with nothing.....

Cause you and I

Could lose it all if you've got no more room

No room inside for me in your life

Cause I want it all or nothing at all

There's no where left to fall it's now or never

Is it all or nothing at all

There's no where left to fall

When you reach the bottom

It's now or never

Is it all or are we just friends

Is this how it ends with a simple telephone call

You leave me here with nothing at all..

Or nothing at all

There's nowhere left to fall

When you reach the bottom it's now or never

Is it all or are we just friends

Is this how it ends with a simple telephone call

You leave me here with nothing at all

All
