I know when he's been on your mind

That distant look is in your eyes

I thought with time you'd realize it's over, over

It's not the way I choose to live

And something somewhere's got to give

As sharing this relationship gets older, older

You know I'd fight for you

But how can I find someone who isn't even there

I've had the rest of you, now I want the best of you

I don't care if that's not fair

CHORUS

Cause I want it all or nothing at all

There's no where left to fall

When you reach the bottom, it's now or never

Is it all, or are we just friends

Is this how it ends, with a simple telephone call

You leave me here, with nothing at all

There are times it seems to me

I'm sharing you in memories

I feel it in my heart but I don't show it, show it

And then there's times you look at me

As though I'm all that you can see

Those times I don't believe it's right, I know it, know it

Don't make me promises

Baby you never did know how to keep them well

I've had the rest of you, now I want the best of you

It's time for show and tell

CHORUS

Cause you and I

Could lose it all if you've got no more room

(oh no) inside, for me in your life

Cause I want it all or nothing at all

There's no where left to fall it's now or never

Is it all or nothing at all

There's no where left to fall

When you reach the bottom, it's now or never

Is it all, or are we just friends

Is this how it ends, with a simple telephone call

You leave me here, with nothing at all

With nothing at all

There's nowhere left to fall

When you reach the bottom, it's now or never

Is it all, or are we just friends

Is this how it ends, with a simple telephone call

You leave me here with nothing at all

oohhhh
