the silicon chip inside her head  
gets switched to overload  
and nobody's gonna go to school today  
she's gonna make them stay at home  
daddy doesn't understand it  
he always said she was good as gold  
and he can see  
no reasons  
'cause there are  
no reasons  
what reasons do you need to be showed

tell me why  
i dont like mondays  
tell me why  
i dont like mondays  
tell me why  
i dont like mondays  
i want to shoot the whole day down

The Telex machine is kept so clean  
And it types to a waiting world  
And Mother feels so shocked  
Father's world is rocked  
And their thoughts turn to their own little girl  
Sweet 16 ain't it peachy keen  
No, it ain't so neat to admit defeat  
They can see no reasons  
'Cause there are no reasons  
What reason do you need, oh-h-h

{Refrain}  
Down, down, shoot it all down

And all the playing's stopped in the playground now  
She wants to play with her toys a while  
And school's out early and soon we'll be learning  
And the lesson today is how to die  
And then the bullhorn crackles  
And the captain tackles  
With the problems and the how's and why's  
And he can see no reasons

'Cause there are no reasons  
What reason do you need to die, die, oh-h-h

And the silicon chip inside her head  
Gets switched to overload  
Oh, and nobody's gonna go to school today  
She's going to make them stay at home  
And Daddy doesn't understand it  
He always said she was as good as gold  
And he can see no reason  
'Cause there are no reasons  
What reason do you need to be showed

{Refrain, with 7 tell me why's}
