"Now That I Found You"

this is by an awesome Irish band called Mytown)

How can I believe that my

Heart would find someone like you

You see the real me

No in-betweens, I had nowhere to hide

You took away the walls around me

Made me feel safe to share my truth

Chorus:

I see the heavens open

A heart that once was broken

Is holding nothing back

Now that I found you

You hold me like a prayer

You touch me everywhere

A lifetime just ain't enough to love you true

Now that I found you 3x

You believe we're meant to be

Our chemistry will last forever

And through the years we'll see some tears

We'll conquer fears, together we will grow

Well I'm looking in your eyes they tell me

I'll no longer have to feel alone

Repeat Chorus

You, you see me

The real me

You believe in me

Repeat Chorus
