Spoken:

O-Town, I want you to close your eyes and fall into a deep trance

And when I count to 3. You will wake up and be mine

My mind is suffocated

By your deep sigh

The scent of you has got me

So blind, why, why can't I be with you

Full time 'cause

You bring me under

Your lips, your eyes, your skin

Can't wait to be within

Your thoughts, your mind

We'll meet in time babe

You're mine babe

So fine babe

But for now

Chorus:

I like it when you bring me under

Girl, I know you so well

I love it when we get down, down

Oh, can't you tell

I know you know when I first met you, baby

My heart fell

I love it when you take me down, down

Under Your spell

Can i get an "o"

can i get a "t"

can i get an "o"

"w"

and an n (ah)

bring it back

If you, could ever understand

What you put me through

Then I, I

I could forgive you

I can't forget you

The things that you do

Won't leave my mind, too

I came to you with a broken view of what

My life should be

You carried me subconsciously

I send my mind through your eyes

My thoughts are caught up in you

Ooo, Can't wait to wrap myself in you

I like it when you bring me under

Girl, I know you so well

I love it when we get down, down

Baby, can't you tell

I know you know when I first met you, baby

My heart fell

I love it when you take me down, down, down, down

Under your spell

1, 2, 3...

When I look into your eyes

My mind just don't know what to do and

It's a crazy thing

Got me all in trance

Wanna dance in the streets with you

You got it goin' on, flowin' on

Girl you never show me wrong

Make a fella wanna go write a song

And give you all my plubishing

I'm gonna go where you wanna go

Run wild, have fun like a carnival, cause

I think I'm in love with you

And before I never knew that I was so

I can't recall

Not at all

The last time a girl made me fall

So deep that I had withdrawals

So don't stop cause

I like it when you bring me under

I know you so well

I love it when we get down, down

Can't you tell

I know when I first met you

My heart fell

I love it when you take me down, down

Under your spell

Chorus to fade
