If I were a painter, mixing my colors

How could I ever find, the blue of your eyes?

The canvas could never, capture the light of your smile

Of your smile

And girl, if I were a sculptor, working in marble

I couldn't hope, to copy your perfect face

The curve of your body, the feel of your skin

My hands could never, ever trace

(chorus)

So I'll try and find a melody as beautiful as you

Find the words to say your eyes are bluer than blue

Fill my voice with the emotion I'm feeling for you

And now, when the beat is so strong

I'll give my heart in a song

Oh girl,

If I were an actor, I could be someone

Someone who'd always know, the right things to say

But as soon as I'd see you, I'd forget all my lines

And you'd never know, what I feel inside

(CHORUS)

There's no other way (no other way)

That I know to say (I know to say)

Baby, how much I love you

And if you'll only give me a chance

Oh girl

(CHORUS 2x)

I'll do, I'll do what I do

You know why, why?

Your eyes are bluer than blue

Uh huh, yeah,

I said I'll do what I do

I'll give my heart in a song

You know I'm not a painter, actor, baby

It don't matter

I'll give my heart in a song

Oh, you're so beautiful

Give you my heart in a song
