Can't wait on, I can't wait on

I can't wait on love

You got me shakin'

All night long

Body's achin'

The pains so strong

My hearts racin', show me a sign

Don't keep me waitin'

At the startin' line

Girl you wind me like a clock

I'm the key that fits your lock

*Can't wait on, I can't wait on

I can't wait on love

Don't be long, I've got my heat on

I can't wait on love

I'm so excited

I can't sleep

Let me slide in

Way in deep

Girl you tie me in a knot

In your web of love I'm caught

*CHORUS

I'm a time bomb tickin' away

You lit my fuse now you gotta pay

*CHORUS
