Dangerous  
But worth the risk  
The things you do  
To get your fix  
You'll head for fun  
You're on my list  
Live for love  
Will get you this

I know something, you know that it's true  
I can feel it when I'm next to you

Dangerous but worth the risk  
Your life's not threatened, but your lovin' is  
Dangerous but worth the risk

The pressure's on  
You're on the run  
You're gettin' loose  
You're havin' fun  
Streets are cold  
But remember this  
We are dangerous  
But worth the risk

I know something, you know that it's true  
I can feel it when I'm next to you

Dangerous but worth the risk  
Your life's not threatened, but your lovin' is  
Dangerous but worth the risk

I know it's true  
I know it's you  
It's you  
It's true

Dangerous but worth the risk  
Your life's not threatened, but your lovin' is  
Dangerous but worth the risk

Dangerous but worth the risk  
Your life's not threatened, but your lovin' is  
Dangerous but worth the risk  
I can feel it when I'm next to you

Dangerous but worth the risk  
Dangerous but worth the risk  
Dangerous but worth the risk  
I know something, you know that it's true  
It's you  
It's true
