[x2]

(Something's wrong, something's wrong)

There's a bomb in my face

Decorated in white lace

(Something's wrong, something's wrong)

When people they look at you

Do you think

Do you think of food?

Stretch yourself (Carving out some lungs with a stake)

As far as this can go at night (Brontosaurus tracks,
relax)

(Carving out some lungs with a stake)

Follow when I row (Brontosaurus tracks, relax)

Hey, is that your lady?

[Chorus:]

She gave it willingly

Hey wait, I've got the parts (To fix your head)

(To fix your head)

(To fixÂ...)

She gave it willingly

(Hey wait, IÂ've got the parts) To fix your head

Fix your head

Fix your head

Wait right here

I'm going to explode

Wait right here

I'm exploding

I've got to be in your car

I'm still shooting even par

Stretch yourself (Carving out some lungs with a stake)

As far as this can go at night (Brontosaurus tracks,
relax)

(Carving out some lungs with a stake)

Follow when I row (Brontosaurus tracks, relax)

Hey, is that your lady?

[Chorus]

[x2]

(Something's wrong, something's wrong)

There's a bomb in my face
