I can't seem to remember if you were kinder
Did you even care about my peave of mind
I find that in the end you're just a big old...
I can't seem to recall why you keep on laughing
At your stupid jokes, they're a waste of your time
Cause I find that in the end, you're just a big old bore
And I never wanted more than just a little fun
I don't wanna behave
I don't wanna behave
I don't wanna behave
And I don't wanna live up to your standards
I can't seem to believe how your little obsession
Has you by the throat and has you running blind
I find that in the end you're just a big old...
I can't seem to believe how you keep on clutching
With all your might to your nickles and dimes
I find that in the end you're just a big old bore
And I never wanted more than just a little fun
I don't wanna behave
I don't wanna behave
I don't wanna behave
And I don't wanna live up to your standards
I'd always thought that we had the same goals
But now I know what you're after
You'll do anything to get what you want
And there's nothing that I wouldn't put past you
It's pathetic to see how uptight you can be
When things don't all go your way
I can't seem to remember when you first began to
Start this shit and try to mess with my mind
I find that in the end you're just a big old...
I can't seem to recall why years have gone by
And you're still the same, you stay trailing behind
And I find that in the end you know you're a big old
bore
Who wished that she'd had more than just a little fun
I don't wanna behave
I don't wanna behave
I don't wanna behave
And I don't wanna live up to your standards
