Don't bother, I'm a danger to my health  
Don't bother, I'm a danger love  
Don't bother, well I'm a danger  
Don't bother, I'm a danger  
(To your health)

So I'm baking a cake, got this badass oven filled with  
goodies and treats  
For all of my friends  
Then Jonny comes and he poisons the food  
Everyone is dead, now wasn't that rude

(I am)  
But now as the words they re unite  
So now as I am  
(And we crack all our backs to relax and recap)  
Oh now  
As the words they re unite  
(The one time I looked like the goddamn circus)  
So now  
(And we crack all our backs to relax and recap)  
As I am  
(The one time I looked like the goddamn circus)

Nobody will ever take  
The things in my fucked up brain  
Well no one can ever take  
The holes in my way  
Take my life  
Because these words they'll never speak

Take my life  
Falling apart for you  
Take my life  
Take my eyes  
They'll never speak  
Take one love

Help me into you  
Go away, go away

Don't bother, I'm a danger love

Don't bother, well I'm a danger  
But now as the words they re unite

So now as I am

(And we crack all our backs to relax and recap)  
Oh now  
As the words they re unite  
(The one time I looked like the goddamn circus)  
So now  
(And we crack all our backs to relax and recap)  
As I am  
(The one time I looked like the goddamn circus)

I got a sense that this is overdone  
But I guess that this would never work  
LIAR!  
I gotta sense that this overdone
