Why are you listening to all the things they tell you
everyday?
Why are you listening, what happened to your own
mind anyway?
Why are you listening to their advice on what to watch
and do?
Why are you listening, has your mind been overrun -
what do I do?
I don't know how they pulled you fast and buried all the
trace of the past
I don't know how you left so fast - I really hope that this
won't last
Oh Shelley
Oh shelley
Oh Shelley
Oh Shelley listen to me
What are you doing? It's been too long, I never even
see you
What are you doing? You're a different girl but I don't
know who
What are you doing? Fall asleep and disappear for
days
What are you doing? Come back flying in a total haze
I don't know how they pulled you fast and buried all the
trace of the past
I don't know how you left so fast - I really hope that this
won't last
Oh Shelley
Oh Shelley
Oh Shelley
Oh Shelley listen to me
What are you thinking? I suspect you're losing it for
good
What are you thinking? Promise I would save you if I
could
What are you thinking? I probably don't even wanna
know
What are you thinking? Please just say goodbye before
you go
Oh Shelley
Oh Shelley

Oh Shelley
Oh Shelley listen to me
