From the crawl space under the floor,
Turned away from your front door.
I'm in your memories,
I'm in your memories.
Don't turn your back on me;
I'm part of what you used to be.
Don't turn your back on me,
Don't turn your back on me.

You fly along the stratosphere;
Forget the people that brought you here.
You fly along the stratosphere;
Forget the people that brought you here.

Shimmy, shimmy my way down underground.
Got a lot to do,
Got a lot to lose.
Shimmy, shimmy my way down underground.
Got a lot to do,
Got a lot to lose.

Oooh, ah ah, oooohhh

I'll always treat you well,
But you won't accept the change.
I'll always treat you well,
But you won't accept the change.
I'll always treat you well,
But you won't accept the change.

You fly along the stratosphere;
Forget the people that brought you here.
You fly along the stratosphere;
Forget the people that brought you here.

Shimmy, shimmy my way down underground.
Got a lot to do,
Got a lot to lose.
Shimmy, shimmy my way down underground.
Got a lot to do,
Got a lot to lose.

I'll save your ass a thousand times;
Put your body bag inside of mine.
I'm back on top of a fucking cloud;
The big bang is so goddamn loud.
Run the play man, run the play;
1969, 2012 today.
Moon walking in my leather shoes;
I don't have a fucking clue
