[x2]

Sit down, call off the cavalry
Iâ€™m stealing the jewels
In a slow motion action replay
Bar fight, I invented chivalry
Notch in my bed post
Slow motion action replay

Now the fog is rolling in
Bringing us that much closer to a senseless end
Oh, please don't get up, Iâ€™ll get that for you
Itâ€™s selfish to say I believe when
I believe all these lines and long enough

[x2]

(Don't just lay on the ground son)
(Don't just drown in the fountain)
And I don't know you
I don't know you

[x2]

(You got stuck preaching action)
(I fell down using tact son)
And I don't know you
I don't know you

[Chorus:]

Bring back this fight tonight
All of these lies that I uphold (Don't mind them they
can't elope)
For one good note (Leave them off of the great boat)
Bring back this fight tonight
All of these lies that I uphold (Don't mind them they
can't elope)
For one false hope (Leave them off of the great boat)

One false hope

Go on and fix your tie
And just lead the line out
Needless to say I stumble, you play all night long

[x8]

Fix your tie and just lead the line out
Needless to say

[Chorus]

[x4]

Now you'll find, as I rewind
Now you'll find it's not the point

One Love
