I look inside my heart but it just cant seem to
remember
The way we were.
I guess it was a lie when you promised me forever
Then you disappear, oh no
Never gave a reason why
And you left here, oh babe
Waiting for you
Baby, youre my fallen angel
Cuz now its like were total strangers.
What happened to the man I knew before
Seems the magic disappeared since I lost you in the
shuffle
And I can see it so clear
Once our love started to struggle
Did I make you blind, oh no
Or was I invisible
Wont you save my life, oh my
I believed in you.
Fallen angel
How did we come this far, just to loose our way
How could you break this heart.
You meant to say
What happened to the love we had
What happened to the innocence
Cuz I dont wanna go through this no more
Fallen Angel
Baby, youre my fallen angel
Cuz now its like were total strangers.
What happened to the man I knew before
Fallen Angel
Ive waited for life times
For you to come down and save me
I find your life can change my life
I only wanted to believe
I cant hold on like this forever
Even though my heart will break
Cuz what used to feel like heaven
Is such an empty place
What happened to the love we had
What happened to the innocence

Cuz I dont wanna go through this no more
Fallen Angel
Baby, youre my fallen angel
Cuz now its like were total strangers.
What happened to the man I knew before
Fallen Angel
