So baby I made a decision
It's more like a commitment
To never live day of my life without you
I made it my mission
To give you love that is unconditional
I realized without you here by my side
I would be incomplete
You're the reason that my heart beats
I love being your girl as long as I'm in your world

I feel so safe
Like I don't have a care in the world
(No care in the whole world)
Baby when you're around me
I feel as free as a bird
And that's why
I don't wanna go nowhere
I just wanna stay right here in your arms
If you were to leave
I couldn't take the pain
Don't know what my life would be without you
I ain't going nowhere
I ain't going nowhere

So baby you know how to listen
Put me in the position
That I've become dependent on the love that you give
Now you're my addiction
When you're not around me I'm going through a
drought

I realized without you here by my side
I would be incomplete
You're the reason that my heart beats
I love being your girl as long as I'm in your world

I feel so safe
Like I don't have a care in the world
(No care in the whole world)
Baby when you're around me
I feel as free as a bird
And that's why

I don't wanna go nowhere
I just wanna stay right here in your arms
If you were to leave
I couldn't take the pain
Don't know what my life would be without you
I ain't going nowhere
I ain't going nowhere

You're the one who knows me, intimately
You even know my favorite colors
You know I like to be touch
How I like to be loved
You fulfill my need for attention
And you never make me feel like I'm unloved
Meet my needs before I have to ask
That's why I'm never letting go
Boy you make me feel

I don't wanna go nowhere
I just wanna stay right here in your arms
If you were to leave
I couldn't take the pain
Don't know what my life would be without you
I ain't going nowhere
I ain't going nowhere

I don't wanna go nowhere
I just wanna stay right here in your arms
If you were to leave
I couldn't take the pain
Don't know what my life would be without you
I ain't going nowhere
I ain't going nowhere

I ain't going nowhere
If you were to leave
I couldn't take the pain
Don't know what my life would be without you
I ain't going nowhere
I ain't going nowhere
