The back alley cat fight  
Made me get my water pistol from Chinatown out  
A pink dragon with light blue horns  
That shoots a stream of water from its mouth, like fire

It worked on them, a toy like that  
I'm back in bed, just like that  
Now, it's 6 AM, my head is spinning, the neighbor's  
yelling  
He wants to know which cat was winning

Cat fight  
Everyone loves a cat fight  
For the sick minds  
Don't give 'em what they want

Well, it's just another night  
And another round of screaming cat fights  
What's the thing they're fighting over now  
And is it worth the ticket price?

Animals of territory  
Losing every ounce of glory  
While the claws and pulling hair get top attention  
Need I mention, no one's trying an intervention

Cat fight  
Everyone loves a cat fight  
For the sick minds  
Don't give 'em what they want

Cat fight  
Everyone loves a cat fight  
For the sick minds  
Don't give 'em what they want  
Well, she started eyes at me  
Who does she think she is?  
Don't you know who I am?  
Well, that was a show for you  
It's all you're gonna see  
'Cause we don't believe

Now there's a conspiracy  
And I think we should test a theory  
Let's stage the biggest cat fight  
Ever seen in history and then

When they get excited  
Turn around and be united  
So they'll know forever, when we're together  
That they'll never be able to set us against each other

Cat fight  
Everyone loves a cat fight  
For the sick minds  
Don't give 'em what they want

Cat fight  
Everyone loves a cat fight  
For the sick minds  
Don't give 'em what they want  
Don't give 'em what they want  
Don't give 'em what they want
