Yesterday the leaves were brown,
And I was wearing a big frown.
Because my lover left me for the girl,
That he had loved before.
The sky was cloudy then turned blue,
Because I saw it was no use.
To want someone whose heart was elsewhere.
So I decided not to care. (Oh yeah)
He wants me back,
But he can't have me.
He wants me back,
There's no denying.
He want me back,
He's on his knees.
Now we'll see who's crying.
The grass is greener without you, (It's true)
So many things for me to do.
Living my life for me and on my own.
It's so great to be alone.
And now you're knocking at my door, (Ha Ha)
You've realized you loved me more.
Well I've got no time for apologies,
I've got the world to see.
He wants me back,
But he can't have me.
He wants me back,
There's no denying.
He want me back,
He's on his knees.
Now we'll see who's crying.
He wants me back,
But he can't have me.
He wants me back,
There's no denying.
He want me back,
He's on his knees.
Now we'll see who's crying.
