It started when he was just a young boy  
Coffee soon became his favorite toy  
A cup in the morning began his day  
Soon he was drinking coffee all day

(Java junkie)  
Always has a cup of  
(Java junkie)  
Never gets enough of  
(Java junkie)  
Drinking coffee all day  
(Java junkie)  
To a coffee god he prays

He's an addict and that's a fact  
But at least he's not smoking crack  
But at least he's not smoking crack

He's an addict and that's a fact  
But at least he's not smoking crack  
But at least he's not smoking crack  
You can be sure of that  
But at least he's not smoking crack

His parents feared his newfound addiction  
So they hid all the coffee away from the kitchen  
Nothing would stop him, they knew it was true  
He was totally hooked on the java brew

(Java junkie)  
Always has a cup of  
(Java junkie)  
Never gets enough of  
(Java junkie)  
Drinking coffee all day  
(Java junkie)  
To a coffee god he prays

He's an addict and that's a fact  
But at least he's not smoking crack  
But at least he's not smoking crack

He's an addict and that's a fact  
But at least he's not smoking crack  
But at least he's not smoking crack
