"Keep On Running"

I keep on running but I'm starting to tire.
I keep on moving cause my minds on fire
It's an uphill climb but my feet are getting heavy.
I keep on running cause I'm feeling heavy.
Keep on running....
Keep on running....
Keep on running....
Keep on running....
I'm getting tired but I try to ignore it
Cause if I don't I'll be heading for it.
I know if I stop I'll be a dead man,
The way it is for me it must be in the plan.
Keep on running....
Keep on running....
Keep on running....
Keep on running....
I keep on running cause I can't turn back.
I've got no choice, my body's keeping track
Of the miles I've gone and the miles left to go.
If I stop now, everyone will surely know.
Keep on running....
Keep on running....
Keep on running....
Keep on running....
