Don't try selling me your heartbreak  
'Cause I can't take another sales pitch  
You don't wanna be the last one  
Who's no fun  
The one that's always left behind  
I know it's hard  
To see clearly all of the time  
So go do what you want  
And I'll try hard to be more understanding

But I don't want to live like that  
Under your thumb behind your back  
I just wanna be there to see the last laugh

I'll try killing you with kindness  
Forget the mindless things I might've said  
And I won't try to catch you or stop you  
From doing what you think is right  
I'll look the other way  
Maybe I was wrong this one time  
It's got to be hard  
When the rest of the world's gone crazy around you

But I don't want to live like that  
Under your thumb, behind your back  
I just wanna be there to see the last laugh

Back and forth you swing  
From routine to obscene  
And I know that you're just like me  
And that's exactly what I like about you  
I guess I'm probably insane  
Two by four is what I'd use to smack you upside your  
head  
'Cause you drive me crazy

So don't keep singing me your sad song  
It's been so long  
Since I've gotten through  
And I'm not gonna be the last one  
Who's no fun  
The one that's always left behind

Don't get me wrong  
When I don't tell you what you wanna hear  
And go do what you want  
And I'll try hard to be more understanding

But I don't want to live like that  
Under your thumb, behind your back  
I just wanna be there to see the last laugh
