It's never gonna work out
Quite the way that they plan, their little greasy games
They'll drop you just as soon as they can pick you up
It might be fun for a while, what happens tomorrow?

I don't wanna be no queen for a day
Oh, I got what you want and I may just walk away
I don't wanna be no queen for a day
I just gotta get away

I wonder why they think about
What they can get from me
I guess I'll let 'em believe
Whatever it is they want to see
I know it's sick, I hope it's only paranoia

I don't wanna be no queen for a day
Oh, I got what you want and I may just walk away
I don't wanna be no queen for a day
I just gotta get away

Gotta get away, gotta get away
Gotta get away, gotta get away
Gotta get away, gotta get away

Gotta get away, gotta get away
Gotta get away, gotta get away
Gotta get away, gotta get away

Admit it's not all bad
It's almost like a real cheap high
Till you get knocked on your ass, thinking you can fly
Suppose it's something that you learn before you die

I don't wanna be no queen for a day
Oh, I got what you want and I may just walk away
I don't wanna be no queen for a day
I just gotta get away

Gotta get away, gotta get away
Gotta get away, gotta get away
Gotta get away, gotta get away

Gotta get away, gotta get away
Gotta get away, gotta get away
Gotta get away, gotta get away

Gotta get away, gotta get away
Gotta get away, gotta get away
Gotta get away, gotta get away

Gotta get away, gotta get away
Gotta get away, gotta get away
Gotta get away, gotta get away
