Do you know what you did today?
How much more do you think she'll handle this way?
What are you doing this for, leave her alone
She never asked for a thing

So you keep on taking them from her
When is she ever gonna get her turn
To hold onto something just for once
Or doesn't she get to?

Close your eyes
I'll watch over you
Just tell me
What you want me to do
Close your eyes
Just remember to breathe

Fate I guess, but it seems so unfair
At some point, you've gotta at least pretend to care
And I hope that you are paying attention
Because I know she is

How can you expect her to be strong
I'm sure that her mother must've asked you to stop
She's had enough, just allow her to smile for a day
Or doesn't she get to?

Close your eyes
I'll watch over you
Just tell me
What you want me to do
Close your eyes
Just remember to breathe

Close your eyes
I'll watch over you
Just tell me
What you want me to do
Close your eyes
Just remember to breathe

Close your eyes

I'll watch over you
Just tell me
What you want me to do
Close your eyes
Just remember to breathe

Close your eyes
I'll watch over you
Just tell me
What you want me to do
Close your eyes
Just remember to breathe
