Why are you listening to all the things they tell you  
everyday?

Why are you listening, what happened to your own  
mind anyway?

Why are you listening to their advice on what to watch  
and do?

Why are you listening, has your mind been overrun -  
what do I do?

I don't know how they pulled you fast and buried all the  
trace of the  
past

I don't know how you left so fast - I really hope that this  
won't last.

Oh Shelley

Oh Shelley

Oh Shelley

Oh Shelley listen to me.

What are you doing? It's been so long, I never even see  
you

What are you doing? You're a different girl but I don't  
know who

What are you doing? Fall asleep and disappear for  
days

What are you doing? Come back flying in a total haze

I don't know how they pulled you fast and buried all the  
trace of the  
past

I don't know how you left so fast - I really hope that this  
won't last.

Oh Shelley

Oh Shelley

Oh Shelley

Oh Shelley listen to me

What are you thinking? I suspect you're losing it for  
good

What are you thinking? Promise I would save you if I  
could

What are you thinking? I probably don't even wanna  
know

What are you thinking? Please just say goodbye before  
you go

I don't know how they pulled you fast and buried all the  
trace of the  
past  
I don't know how you left so fast - I really hope that this  
won't last.  
Oh Shelley  
Oh Shelley  
Oh Shelley  
Oh Shelley listen to me
