telling me what to do with my life,
telling me that i'm no good,
telling me that you are the very best
you're driving me up the wall.

at one time you were on top.
you thought you were a hot shot,
you never thought the ride would stop.
now the roller coaster's over,
your only pal is your dog, Rover.
so much for your stay at the top.

talking about your lucky big deals,
demanding to top the bill.
boring, it's all so boring.
i'm so glad the spotlight's gone.

at one time you were on top.
you thought you were a hot shot,
you never thought the ride would stop.
now the roller coaster's over,
your only pal is your dog, Rover.
so much for your stay at the top.

now that the spotlight is gone,
running toward the bandwagon
claiming everything is fine.
you can't hide from the truth.

at one time you were on top.
you thought you were a hot shot,
you never thought the ride would stop.
now the roller coaster's over,
your only pal is your dog, Rover.
so much for your stay at the top.
