[Verse 1:]

You might be expecting
To hear me saying things
Pertaining to love
Me emotionally,
I've been through so many other things,
But I'm not wasting
My time or energy
On another sad love song,
Babe I love you, please don't go,
Not even worth talkin bout it.

[Chorus 1:]

Don't wanna talk about how,
He broke my heart.
Don't wanna talk about how,
We fell apart.
So many other things I've,
Experienced.
Don't wanna make this a love song.

Don't wanna get into what,
Made us so happy.
All the moments we kissed,
Boy you really had me.
Maybe this could exist,
In new situations
Don't wanna make this a love song.

[Verse 2:]

I'm not neglecting,
All those feelings,
I have in me,
But I just don't feel the need,
To express them so openly.
That's just not me,
Because when I speak,
I want the things,
That are coming from me,
To be something I'm proud to speak.
(yae-yae-yea yea)

[Pre-Chorus:]

Cause everything
That I'm hearing on the radio,
Is only talking bout love,
How they can't let it go.
Why is it that everybody,
Takes the lonely road,
Is there nowhere else to go.

[Chorus 2:]

Don't wanna talk about how,
He broke my heart.
Don't wanna talk about how,
We fell apart.
So many other things I've,
Experienced.
Don't wanna make this a love song.

Don't wanna get into what,
Made us so happy.
All the moments we kissed,
Boy you really had me.
Maybe this could exist,
In new situations
Don't wanna make this a love song.

[Bridge:]

How can it be,
That nobody seems to care
(when nobody seems to care),
The love songs are everywhere
(The love songs are everywhere)
(That I hear)

[Chorus 3:]

Don't wanna talk about how,
He broke my heart. (Yae-Yeah)
Don't wanna talk about how,
We fell apart. (Fell Apart, whoa, whoa)
So many other things I've,
Experienced.
Don't wanna make this a love song.

Don't wanna get into what,
Made us so happy. (No, No, No)
All the moments we kissed,
Boy you really had me. (You really had me)
Maybe this could exist,
In new situations
(I, don't wanna talk about another sad love song)
Don't wanna make this a love song.
