Your my friend...(our friendship will never end,,,)
A friend so true and near to my heart, i'd wish that we
would never had to part, but in my heart
we'll always---we made the best of friends
Remembering the day you went away my heart was
feeling so much pain
How I wish you could stay and a race just came in my
heart we'll always---we made the best of
friends

[CHORUS]

You know that I am your friend, so let me say it again
It's where it starts, iut never ends, never ends
Don't you know that i'm your friend...
You know that I am your friend, no doubt about it
Our friendship wil never end 'cause your my best friend

All of the fun things we did together, I knew that we'd
be friends forever (ever)

But then you had to leave, tell me how could this be my
friends leave me?
They say a true friendship never ends (never ends)
I know it's true 'cause I can't breathe in all of the
memories of you and me annd how we will
always---we made the best of frieeeendss

You'll always be the special side of me, 'cause your my
friend
No matter where you go, I wanna let you know your my
friend, you are my friend

[REPEAT CHORUS]

No matter where you go, I just gotta let you know that
you will always be my friend, my best
friend (your friend)
Doesn't matter 'cause you live too far (your friend)
My friend, I am where you are

Our friendship will never end..
