Cause 'im too young to fall in love yo

I ca'nt get you off of my mind I think about you all the
time

Been keeping it a secret

But i've got a crush on you

REPEAT CHORUS 2X

The way you spell your pretty name is so different from
the rest

on my test and do my very best

Missy Elliot Rap:

Top, top on the shock on the spot
Raven loves six so here comes the doc

Well lil' Raven come and get your shovel and dig this
We top the Seuss kick
Never fell in love with Tamika through it was my
teacher too much for me to lead up to
They used to tell me you'll be Seuss when your older
If you take the time and be patient when your all grown
up you can find love and take it

Cause i'm cute, leave the Seuss, i'm too old for you but
I can dig it for the crew
We can go cruising' on my jet
We can play ninjas on three
Off for some popcorn and some ice cream, and I can
be your little ice cream dreams

REPEAT CHORUS TILL FADE
